

Join JUDES!

Why support Fair Trade?

- ◆ Fair Trade is an important social justice and sustainable development issue that provides real and lasting benefits to producers in the developing world.
- ◆ Membership contributes to the success of JUDES as an educational not-for-profit organization and shows your support for this important and growing issue.
- ◆ Membership means you are helping to build a more socially just and environmentally friendly world!

About JUDES

JUDES (the Just Us! Development and Education Society) was established in 2006 as a not-for-profit organization committed to raising public awareness about the social and environmental issues relating to international development and the benefits of Fair Trade.

We use a values-based approach to increase the understanding and connections between producers and consumers through educational exchanges, speaking tours, and videos and we create resources to support people in living justly and lightly on our planet.

Our vision is to be a leading organization in Atlantic Canada for public and consumer education and action around Fair Trade and responsible consumerism.

JUDES is managed by a volunteer Board of Directors that is responsible for the overall direction of the organization. JUDES benefits greatly from the support of our many dedicated volunteers, led by our Development Coordinator.

We work in partnership with other non-profit associations and organizations across Atlantic Canada who share our vision and values. We also work in partnership with our founding partner, Just Us! Coffee Roasters Co-operative, which recognized the interest of schools and the general public in learning more about Fair Trade and has supported the development of JUDES in becoming an independent, non-profit organization.

Membership

Individuals and organizations (e.g. non-profits groups, associations, congregations, businesses) that support the work of JUDES are invited to become members. Membership is a vital component to our ability to reach out across the region and connect those who care about the social, economic, cultural, and environmental welfare of the people who produce our food and goods in our globalized world.

Membership entitles you to a vote at our Annual General Meeting or other meetings of members. If the membership is on behalf of an organization, that organization is able to designate one representative to attend on its behalf.

How to become a Member

Annual memberships are only \$10 per year, and we accept cash or cheque (please make any cheques payable to Just Us! Development and Education Society).

We welcome donations!

JUDES welcomes donations from both members and non-members to support the organization's work. As an educational organization, we rely on the support of the community to continue to raise awareness about the benefits of Fair Trade and support individuals and organizations in pursuing environmentally and socially sustainable purchasing practices.

Our work is made possible through the work of volunteers, the sharing of in-kind resources by our members, and donations from members and other supporters.

Any financial contribution from you would be much appreciated. Due to the in-kind support of our administrative partner, Just Us! Coffee Roasters Co-operative, we are able to direct donated funds to projects and educational activities. Please consider making a donation to support the work of JUDES.

✓ In addition to my membership, I would like to support JUDES with a donation of:

\$25.00

\$50.00

\$100.00

Other \$ _____

Please make a cheque payable to the *Just Us! Development and Education Society*.
